PUBLIC ANNOUNCEMENT

CESWG-PE-RB

16 December 2002

SUBJECT: Permit No. 14114(05); Extension of Time

To Whom It May Concern: The U.S. Army Corps of Engineers, Galveston District, has amended a Department of the Army Regional General Permit (GP), as described below:

SPONSOR:

U.S. Army Corps of Engineers
P.O. Box 1229
Galveston, Texas 77553-1229

WATERWAY AND LOCATION: Navigable waters of the United States within the Galveston District, excluding the state of Louisiana.

SCOPE OF WORK: Work authorized by this GP is limited to the placement of pipeline by directional drilling underneath navigable waterways.

BACKGROUND: A public notice was issued on 4 October 2002 proposing an extension of time for GP 14114(04). Special Conditions "R" and "S" were added to the permit to address potential obstructions and abandoned pipelines.

The purpose of this GP is to expedite the authorizations of such operations subject to the limitations and conditions described in the attached copy of the permit. Applicants seeking authorization under this GP must submit plans on 8½- by 11-inch paper to the Corps of Engineers, showing the type and location of the proposed action.

If there are any questions relative to the Public Announcement, please contact Mr. John Machol at the above address or by telephone at 409-766-3944.
